## Informed Consent for Nutrition Services

I am employing the counseling services of Erin Decker Nutrition, LLC so that I can obtain information and guidance about health factors within my own control (diet, nutrition, and related behaviors) in order to nourish and support my health and wellness.

I understand that the clinicians at Erin Decker Nutrition, LLC are Dietitians/Nutritionists — not physicians — and they do not dispense medical advice nor prescribe treatment. Rather, they provide education to enhance my knowledge of health as it relates to foods, dietary supplements, and behaviors associated with eating. While nutritional and botanical support can be an important complement to my medical care, I understand nutrition counseling is not a substitute for the diagnosis, treatment, or care of disease by a medical provider.

Nutritional evaluation or testing provided in counseling is not intended for the diagnosis of disease. Rather, these assessment tests are intended as a guide to developing an appropriate health-supportive program for me, and to monitor my progress in achieving my goals.

I agree to hold Erin Decker Nutrition, LLC harmless for claims or damages in connection with our work together. This is a contract between myself and Erin Decker Nutrition, LLC and I understand that it is also a release of potential liability.
